Bug Report

Website name: [Daffodil Technical Institute]

For Web version:

Bug ID	DTI_web_bug_01
Bug title	[All]: An error of pop-up messenger option
Bug type	Performance
Priority	High
How it's work now	When we click on the pop-up messenger button it is not always working properly. After opening the pop-up messenger option sometimes it does not minimize when we click on the minimize button.
How it should work	It should work properly with responsiveness. It should work when any one click on the pop-up messenger option and minimize when click on minimize option.
How to Reproduce	• Go to https://dti.ac website. • Click on the pop-up messenger option.
Assigned team	Development team
QA observation	If the pop-up messenger option does not work properly it will show a bad impression to users.

Bug ID	DTI_web_bug_02
Bug title	[All]: An error is displayed in the navbar.
Bug type	Functional
Priority	High
How it's work now	In the navbar same issues are faced in all pages of Daffodil Technical Institute. When we scroll down after that if we click on the menu button in the navbar it is not working.
How it should work	It should work properly. When we click the menu button it should pop-up from the right side.
How to Reproduce	• Go to https://dti.ac website. • Click on the Menu icon button in the navbar.
Assigned team	Development team
QA observation	I think two menu options in a navbar is not important for a website. If we remove the menu button it will be good for user experience.

Year of Establishment: 2016 Bangladesh is witnessing

Bug ID	DTI_web_bug_03
Bug title	Admission Form Application
Bug type	Functional
Priority	Urgent
How it's work now	In the admission form, Full Name text field accept any kind of number and garbage values also, next Mobile No section accept any kind of random number, Guardian Name Section also accept any kind number and garbage values, next Guardian Mobile No section accept any kind of random number, E-mail section it accept any kind of emails, Select Technology section it will accept without select the course, Passport Size Photo section you can easily upload any kind of txt file, pdf, jpg, png etc, SSC Mark- Sheet also accept any kind of txt file, pdf, jpg, png.
How it should work	In Full Name, Guardian section it should accept String type data, in Mobile No. and Guardian section it should accept number type data, in E-mail section it should accept only valid email, in Select Technology section it should not accept without select the course, in passport Size Photo section it should accept only png , jpg files and lastly SSC Mark-Sheet section it should only accept pdf file.
How to reproduce	• Go to https://dti.ac • Scroll down and click on ভর্তির আবেদন লিংক Button or go to https://admission.dti.ac.
Assigned team	Development team
QA observation	Admission Form Application is a very important for Daffodil Technical Institute website. It should work properly. If it does not work properly then the admission process will be hampered by it.

Bug ID	DTI_web_bug_04
Bug title	[Home]: An error displayed on the image slider option.
Bug type	UI
Priority	Low
How it's work now	If we see on the image slider option then the flout out option text and alignment are not properly working.
How it should work	It should have the same font-size, font-weight, font-family, alignment.
How to reproduce	• Go to https://dti.ac website. • See the Image slider option.
Assigned team	Development Team
QA observation	I think if font-size, font-weight, font-family, alignment are not design properly it will not be a UI design.

Bug ID	DTI_web_bug_05
Bug title	[Diploma in Electrical Engineering]: An error is displayed on course outline FLYER button.
Bug type	Functional
Priority	High
How it's work now	It doesn't show the button text when we hover on the button then it will show the text.
How it should work	It should show the button text on the button and work properly.
How to reproduce	• Go to https://dti.ac website. • On the navbar hover on Departments and it shows a dropdown menu click on Electrical-Engineering. • Go to the Course Outline section. • Hover on Blue button.
Assigned team	Development team
QA observation	If the button doesn't have a text how will users understand it is a button. Same problem also finds it on Civil Engineering, Graphic Design Engineering, Computer Science & Engineering, Apparel Manufacturing, Electronics Engineering, Telecon Engineering pages.

Image	

Bug ID	DTI_web_bug_06
Bug title	[Diploma in Electrical Engineering]: An error is displayed on the footer section facebook,twitter, Linkedin button.
Bug type	Functional
Priority	High
How it's work now	It doesn't show the button icon.
How it should work	It should show the button icon.
How to reproduce	• Go to https://dti.ac website. • See the footer section.
Assigned team	Development team
QA observation	If the button doesn't have icons how will users see our facebook, twitter, linkedin. Users think that those three are square boxes. Same problem also finds it on Textile Engineering, Civil Engineering, Graphic Design Engineering, Computer Science & Engineering, Apparel Manufacturing, Electronics Engineering, Telecon Engineering, Architecture And Interior Design Engineering pages.

Image	
Bug ID	DTI_web_bug_07
Bug title	Mission information
Bug type	Content bugs
Priority	Low
How it's work now	There is no information about the clubs except Computer Club.
How it should work	It should give valid information about the clubs and their activities.
How to reproduce	• Go to https://dti.ac/dti-robotics-club/ • Go to https://dti.ac/dti-textile-club/ • Go to https://dti.ac/dti-cultural-club/ • Go to https://dti.ac/dti-blood-donation-club/ • Go to https://dti.ac/dti-debating-club/
Assigned team	Development team
QA observation	Without any information about the club it will show a bad impression on users.

Bug ID	DTI_web_bug_08
Bug title	[Contact]: Content overlapping
Bug type	Visual Bugs
Priority	low
How it's work now	In the Phone section we can see that numbers and phone icon is overlap each other.
How it should work	It should not overlap with each other.
How to reproduce	• Go to https://dti.ac/contact/
Assigned team	Development Team
QA observation	In the Phone section the margin between numbers and icon should be 5-10px.

Image	
Bug ID	DTI_web_bug_09
Bug title	[Academic]: An error on Result page
Bug type	Functional bug
Priority	Urgent
How it's work now	If we go to the navbar then hover on Academic it shows a dropdown menu and if we click on Result it does not work.
How it should work	It should show us the result portal when we click on Result.
How to reproduce	• Go to https://dti.ac • After that hover on the navbar item Academic then click on Result or http://180.211.164.133/result_arch/
Assigned team	Development Team
QA observation	Result portal is a very important element for our website. So, it should work properly.

Image	
Mobile Version:

Bug ID	DTI_mob_bug_01
Bug title	Responsiveness problem on all departments pages
Bug type	Compatibility
Priority	High
How it's work now	All department pages aren't responsive. When we scroll down to the down and scroll to up then we can see the overlapping problem.
How it should work	It should avoid overlapping and maintain responsiveness.
How to reproduce	• Go to https://dti.ac/courses/electrical-engineering/ • Go to https://dti.ac/courses/textile-engineering/ • Go to https://dti.ac/courses/civil-engineering/ • Go to https://dti.ac/courses/graphic-design-engineering/ • Go to https://dti.ac/courses/computer-engineering/ • Go to https://dti.ac/courses/garments-design-and-pattern-making/ • Go to https://dti.ac/courses/diploma-in-electronics-engineering/ • Go to https://dti.ac/courses/telecom-engineering/ • Go to https://dti.ac/courses/architecture-and-interior-design-engineering/
Assigned team	Development Team.
QA observation	All pages should work properly.
