

# Bug Report

Website name: [Daffodil Technical Institute](https://dti.ac)

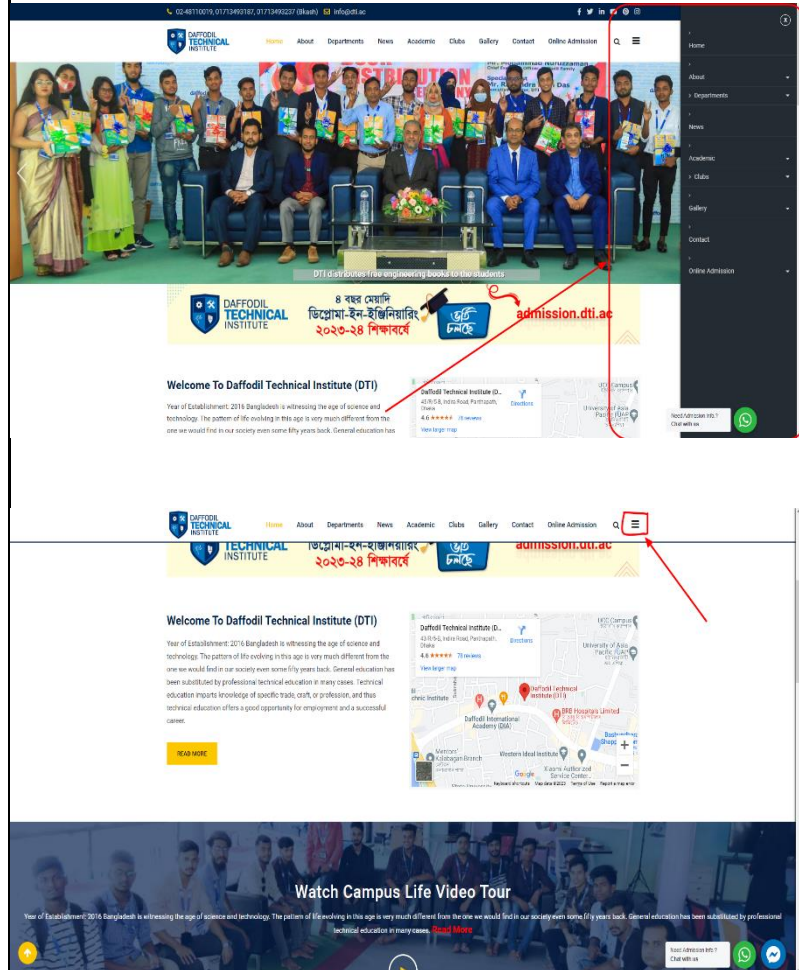

For Web version:

Bug ID	DTI_web_bug_01
Bug title	[All]: An error of pop-up messenger option
Bug type	Performance
Priority	High
How it's work now	When we click on the pop-up messenger button it is not always working properly. After opening the pop-up messenger option sometimes it does not minimize when we click on the minimize button.
How it should work	It should work properly with responsiveness. It should work when any one click on the pop-up messenger option and minimize when click on minimize option.
How to Reproduce	<ul style="list-style-type: none"><li>Go to <a href="https://dti.ac">https://dti.ac</a> website.</li><li>Click on the pop-up messenger option.</li></ul>
Assigned team	Development team
QA observation	If the pop-up messenger option does not work properly it will show a bad impression to users.
Image	 The image is a screenshot of the Daffodil Technical Institute (DTI) website. It features a header with the DTI logo and navigation links. Below the header is a large banner image showing a group of students and staff members holding certificates. At the bottom of the page, there is a section titled 'Welcome To Daffodil Technical Institute (DTI)' with a brief description of the institute. A red arrow points to a pop-up messenger button labeled 'admission.dti.ac' in the bottom right corner of the page.

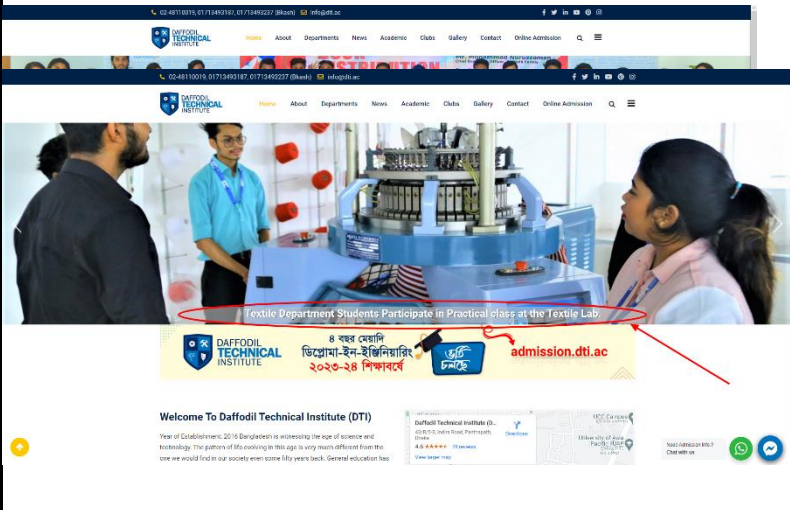

<b>Bug ID</b>	DTI_web_bug_02
<b>Bug title</b>	[All]: An error is displayed in the navbar.
<b>Bug type</b>	Functional
<b>Priority</b>	High
<b>How it's work now</b>	In the navbar same issues are faced in all pages of Daffodil Technical Institute. When we scroll down after that if we click on the menu button in the navbar it is not working.
<b>How it should work</b>	It should work properly. When we click the menu button it should pop-up from the right side.
<b>How to Reproduce</b>	<ul style="list-style-type: none"> <li>Go to <a href="https://dti.ac">https://dti.ac</a> website.</li> <li>Click on the Menu icon button in the navbar.</li> </ul>
<b>Assigned team</b>	Development team
<b>QA observation</b>	I think two menu options in a navbar is not important for a website. If we remove the menu button it will be good for user experience.

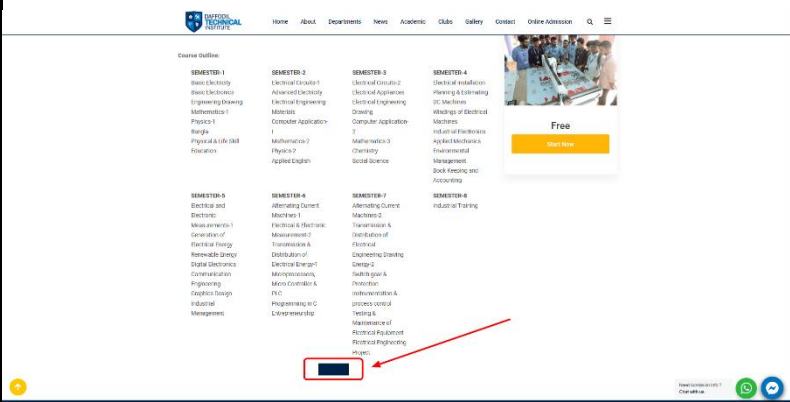

## Image

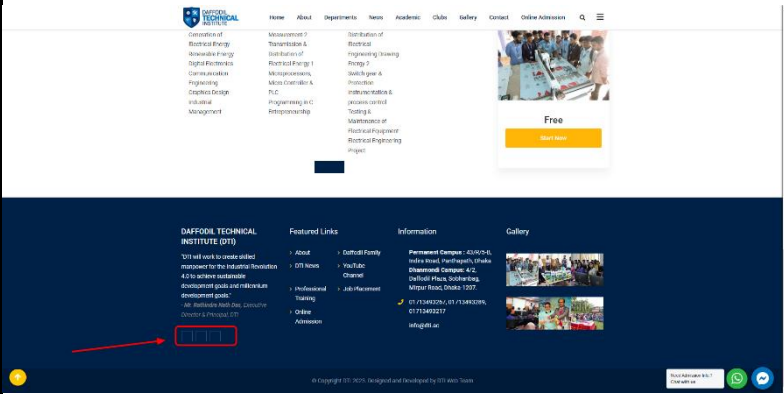

<b>Bug ID</b>	DTI_web_bug_03
<b>Bug title</b>	Admission Form Application
<b>Bug type</b>	Functional
<b>Priority</b>	Urgent
<b>How it's work now</b>	In the admission form, Full Name text field accept any kind of number and garbage values also, next Mobile No section accept any kind of random number, Guardian Name Section also accept any kind number and garbage values, next Guardian Mobile No section accept any kind of

	random number, E-mail section it accept any kind of emails, Select Technology section it will accept without select the course, Passport Size Photo section you can easily upload any kind of txt file, pdf, jpg, png etc, SSC Mark- Sheet also accept any kind of txt file, pdf, jpg, png.
How it should work	In Full Name, Guardian section it should accept String type data, in Mobile No. and Guardian section it should accept number type data, in E-mail section it should accept only valid email, in Select Technology section it should not accept without select the course, in passport Size Photo section it should accept only png , jpg files and lastly SSC Mark-Sheet section it should only accept pdf file.
How to reproduce	<ul style="list-style-type: none"> <li>Go to <a href="https://dti.ac">https://dti.ac</a></li> <li>Scroll down and click on ভর্তির আবেদন লিংক Button or go to <a href="https://admission.dti.ac">https://admission.dti.ac</a>.</li> </ul>
Assigned team	Development team
QA observation	Admission Form Application is a very important for Daffodil Technical Institute website. It should work properly. If it does not work properly then the admission process will be hampered by it.

<b>Bug ID</b>	DTI_web_bug_04
<b>Bug title</b>	[Home]: An error displayed on the image slider option.
<b>Bug type</b>	UI
<b>Priority</b>	Low
<b>How it's work now</b>	If we see on the image slider option then the flout out option text and alignment are not properly working.
<b>How it should work</b>	It should have the same font-size, font-weight, font-family, alignment.
<b>How to reproduce</b>	<ul style="list-style-type: none"> <li>Go to <a href="https://dti.ac">https://dti.ac</a> website.</li> <li>See the Image slider option.</li> </ul>
<b>Assigned team</b>	Development Team
<b>QA observation</b>	I think if font-size, font-weight, font-family, alignment are not design properly it will not be a UI design.
<b>Image</b>	

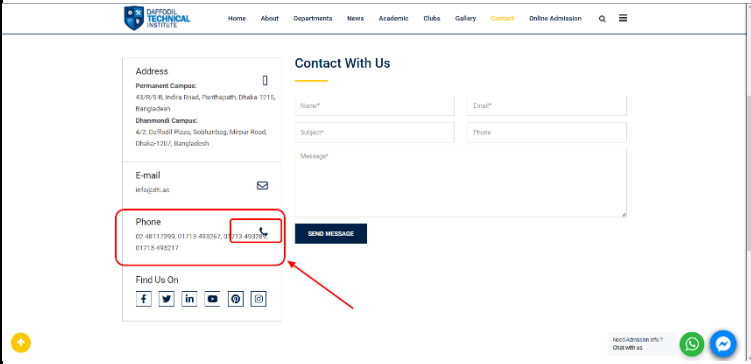

<b>Bug ID</b>	DTI_web_bug_05
<b>Bug title</b>	[Diploma in Electrical Engineering]: An error is displayed on course outline FLYER button.
<b>Bug type</b>	Functional
<b>Priority</b>	High
<b>How it's work now</b>	It doesn't show the button text when we hover on the button then it will show the text.
<b>How it should work</b>	It should show the button text on the button and work properly.
<b>How to reproduce</b>	<ul style="list-style-type: none"> <li>Go to <a href="https://dti.ac">https://dti.ac</a> website.</li> <li>On the navbar hover on Departments and it shows a dropdown menu click on Electrical-Engineering.</li> <li>Go to the Course Outline section.</li> <li>Hover on Blue button.</li> </ul>
<b>Assigned team</b>	Development team
<b>QA observation</b>	If the button doesn't have a text how will users understand it is a button. Same problem also finds it on Civil Engineering, Graphic Design Engineering, Computer Science & Engineering, Apparel Manufacturing, Electronics Engineering, Telecon Engineering pages.
<b>Image</b>	 <p>The screenshot shows the 'Course Outline' page for the Diploma in Electrical Engineering. It lists subjects for Semesters 1 through 8. At the bottom of the page, there is a blue button with a white icon, which is highlighted by a red arrow. This button is intended to be a 'View Flyer' button but lacks text when hovered.</p>

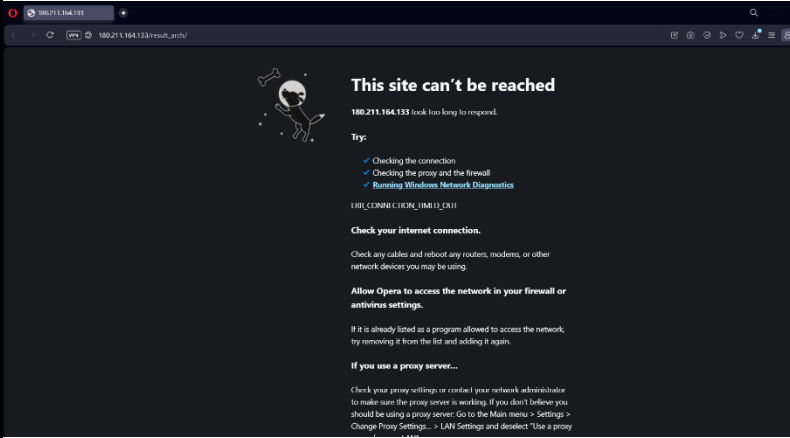

<b>Bug ID</b>	DTI_web_bug_06
<b>Bug title</b>	[Diploma in Electrical Engineering]: An error is displayed on the footer section facebook, twitter, LinkedIn button.
<b>Bug type</b>	Functional
<b>Priority</b>	High
<b>How it's work now</b>	It doesn't show the button icon.
<b>How it should work</b>	It should show the button icon.
<b>How to reproduce</b>	<ul style="list-style-type: none"> <li>Go to <a href="https://dti.ac">https://dti.ac</a> website.</li> <li>See the footer section.</li> </ul>
<b>Assigned team</b>	Development team
<b>QA observation</b>	If the button doesn't have icons how will users see our facebook, twitter, linkedin. Users think that those three are square boxes. Same problem also finds it on Textile Engineering, Civil Engineering, Graphic Design Engineering, Computer Science & Engineering, Apparel Manufacturing, Electronics Engineering, Telecon Engineering, Architecture And Interior Design Engineering pages.
<b>Image</b>	 <p>The image is a screenshot of the Daffodil Technical Institute (DTI) website. The footer section is dark blue and contains several columns of text and links. A red arrow points to a square button in the footer, which is intended to be a Facebook link but lacks an icon. The button is located in the footer area, below the main content. The website header includes a navigation menu with links like Home, About, Departments, News, Academic, Clubs, Gallery, Contact, and Online Admission. The footer also includes contact information, a gallery of images, and social media links for Facebook, Twitter, and LinkedIn.</p>

<b>Bug ID</b>	DTI_web_bug_07
<b>Bug title</b>	Mission information
<b>Bug type</b>	Content bugs
<b>Priority</b>	Low
<b>How it's work now</b>	There is no information about the clubs except Computer Club.
<b>How it should work</b>	It should give valid information about the clubs and their activities.
<b>How to reproduce</b>	<ul style="list-style-type: none"> <li>Go to <a href="https://dti.ac/dti-robotics-club/">https://dti.ac/dti-robotics-club/</a></li> <li>Go to <a href="https://dti.ac/dti-textile-club/">https://dti.ac/dti-textile-club/</a></li> <li>Go to <a href="https://dti.ac/dti-cultural-club/">https://dti.ac/dti-cultural-club/</a></li> <li>Go to <a href="https://dti.ac/dti-blood-donation-club/">https://dti.ac/dti-blood-donation-club/</a></li> <li>Go to <a href="https://dti.ac/dti-debating-club/">https://dti.ac/dti-debating-club/</a></li> </ul>
<b>Assigned team</b>	Development team
<b>QA observation</b>	Without any information about the club it will show a bad impression on users.
<b>Image</b>	

<b>Bug ID</b>	DTI_web_bug_08
<b>Bug title</b>	[Contact]: Content overlapping
<b>Bug type</b>	Visual Bugs
<b>Priority</b>	low
<b>How it's work now</b>	In the Phone section we can see that numbers and phone icon is overlap each other.
<b>How it should work</b>	It should not overlap with each other.
<b>How to reproduce</b>	<ul style="list-style-type: none"> <li>Go to <a href="https://dti.ac/contact/">https://dti.ac/contact/</a></li> </ul>
<b>Assigned team</b>	Development Team
<b>QA observation</b>	In the Phone section the margin between numbers and icon should be 5-10px.
<b>Image</b>	 <p>The screenshot shows the 'Contact With Us' section of the DTI website. On the left, there is a sidebar with contact information: Address (Permanent and Dharmadham Campuses), Email (info@dti.ac), and Phone (02-48117889, 01713-493267, 01713-493267). The phone number '01713-493267' and the phone icon are highlighted with a red box, indicating the area of concern where they overlap. To the right of the sidebar is the 'Contact With Us' form with fields for Name, Email, Subject, Phone, and Message, and a 'SEND MESSAGE' button. The website header includes navigation links like Home, About, Departments, News, Academics, Clubs, Gallery, Contact, and Online Admission. The footer shows social media icons and a chatbot.</p>

<b>Bug ID</b>	DTI_web_bug_09
<b>Bug title</b>	[Academic]: An error on Result page
<b>Bug type</b>	Functional bug
<b>Priority</b>	Urgent
<b>How it's work now</b>	If we go to the navbar then hover on Academic it shows a dropdown menu and if we click on Result it does not work.
<b>How it should work</b>	It should show us the result portal when we click on Result.
<b>How to reproduce</b>	<ul style="list-style-type: none"> <li>Go to <a href="https://dti.ac">https://dti.ac</a></li> <li>After that hover on the navbar item Academic then click on Result or <a href="http://180.211.164.133/result_arch/">http://180.211.164.133/result_arch/</a></li> </ul>
<b>Assigned team</b>	Development Team
<b>QA observation</b>	Result portal is a very important element for our website. So, it should work properly.
<b>Image</b>	 <p>The screenshot shows a web browser window with the address bar displaying '180.211.164.133/result_arch/'. The main content area shows a dark-themed error message: 'This site can't be reached'. Below this, it says '180.211.164.133 took too long to respond.' and provides a list of troubleshooting steps: 'Try: Check the connection', 'Check the proxy and the firewall', and 'Running Windows Network Diagnostics'. It also includes instructions to 'Check your internet connection', 'Allow Opera to access the network in your firewall or antivirus settings', and 'If you use a proxy server...'. The browser's address bar and navigation buttons are visible at the top.</p>

<b>Bug ID</b>	DTI_mob_bug_01
<b>Bug title</b>	Responsiveness problem on all departments pages
<b>Bug type</b>	Compatibility
<b>Priority</b>	High
<b>How it's work now</b>	All department pages aren't responsive. When we scroll down to the down and scroll to up then we can see the overlapping problem.
<b>How it should work</b>	It should avoid overlapping and maintain responsiveness.
<b>How to reproduce</b>	<ul style="list-style-type: none"><li>● Go to <a href="https://dti.ac/courses/electrical-engineering/">https://dti.ac/courses/electrical-engineering/</a></li><li>● Go to <a href="https://dti.ac/courses/textile-engineering/">https://dti.ac/courses/textile-engineering/</a></li><li>● Go to <a href="https://dti.ac/courses/civil-engineering/">https://dti.ac/courses/civil-engineering/</a></li><li>● Go to <a href="https://dti.ac/courses/graphic-design-engineering/">https://dti.ac/courses/graphic-design-engineering/</a></li><li>● Go to <a href="https://dti.ac/courses/computer-engineering/">https://dti.ac/courses/computer-engineering/</a></li><li>● Go to <a href="https://dti.ac/courses/garments-design-and-pattern-making/">https://dti.ac/courses/garments-design-and-pattern-making/</a></li><li>● Go to <a href="https://dti.ac/courses/diploma-in-electronics-engineering/">https://dti.ac/courses/diploma-in-electronics-engineering/</a></li><li>● Go to <a href="https://dti.ac/courses/telecom-engineering/">https://dti.ac/courses/telecom-engineering/</a></li><li>● Go to <a href="https://dti.ac/courses/architecture-and-interior-design-engineering/">https://dti.ac/courses/architecture-and-interior-design-engineering/</a></li></ul>
<b>Assigned team</b>	Development Team.
<b>QA observation</b>	All pages should work properly.
